

MAY 16 | CANADA CELEBRATES INTERNATIONAL DAY OF LIGHT

16 MAI | LE CANADA CÉLÈBRE LA JOURNÉE INTERNATIONALE DE LA LUMIÈRE

The Steering Committee of the International Day of Light - Canada invites you to sponsor the annual nation-wide celebration of light to be held on May 16th. Across Canada, scientists, artists, students, as well as organizations have planned activities that highlight the important role that light plays in our society, culture, environment, health and technology.

The IDL-Canada Team is working together to promote all these activities at a National level, and bring awareness to the general public as well as the political leadership as to the extent that Canadian citizens and organizations are invested in activities and technologies involving light. We invite you to join us to make this a memorable celebration with your sponsorship.

Check out our exciting sponsorship opportunities and benefits.
